

**PROEMED PROJECT**  
**«BOOSTING ENVIRONMENTAL PROTECTION AND ENERGY  
EFFICIENT BUILDINGS IN MEDITERRANEAN REGION»**  
**Coordination Meeting, Marrakech, 14<sup>th</sup> - 16<sup>th</sup> October 2017**  
**Agenda in draft**

The PROEMED project is promoted by the European Commission in the scheme of the Erasmus+ CBHE (“Capacity Building in Higher Education”) programme and purses, along the period October 2016 / October 2019, the wider objective to design, establish and develop a new Master study-programme on “*Environmental Protection and Energy Efficient Buildings*”, otherwise called *Sustainable Buildings*, in Algerian, Moroccan and Tunisian Universities.

The results of the first project year, to be validated during the Marrakech meeting, regard:

- ✓ the formalization of the five venues of the PROEMED Master study programmes,
- ✓ the summing-up of the results of the previous study visits,
- ✓ the analysis of the data and info obtained by the questionnaires submitted to the Algerian, Moroccan and Tunisian stakeholders,
- ✓ the definition of the last versions of the Programme Handbooks, one per each Master study programme.

By these outputs, the harmonization of the academic approaches regarding Energy Efficiency in Buildings will be achieved.

The next steps of the project will be discussed, with specific reference to:

- i. the procedures for accreditation of the new / revised PROEMED Master study programmes,
- ii. first implementation of the curricular reform process by:
  - a. new teaching aids material and
  - b. equipment for the improvement of the DidLabs,
- iii. empowerment of the Algerian, Moroccan and Tunisian junior teaching staff who will attend a monthly-intensive retraining session in EU, supposed on January - February 2018.
